MINIMALIST WORKSTATIONS

At NJ Furniture Inds., quality is our hallmark. We use only the finest materials and craftsmanship to ensure that every piece of furniture we create meets the highest standards. From the boardroom to the breakroom, our furniture is designed to withstand the test of time while maintaining its elegance.

NJ-10004

NJ-10005

NJ-10006

Handle-free design and unibody bending bring a minimalist aesthetics. Fixed with desk, it works instantly with existing furniture. Besides, the bottom drawer is equipped with dividers to better sort out documents.

DURABILITY YOU CAN TRUST

Built to last, our furniture is engineered with durability in mind. Whether it's a busy office environment or a quiet home workspace, our products are designed to handle everyday wear and tear while retaining their aesthetic appeal.

NJ-10007

NJ-10008

Adjustable shelf panel

Great capacity

The superior load-bearing capacity of the shelf panel makes sure it will not bend or creak even when stuffed with documents. Also, the distance between each two shelf panels can be adjusted. 90° rotation range of door allows you to store and take goods easily.
